

RODONKOR FOUNDATION

CHARITY BROCHURE

Protecting tiny lives. Restoring hope. Inspiring compassion.

No Baby Forgotten. Every Life Precious. Every Child Deserves Love.

Established 2026 | Ghana & United Kingdom

Every Baby Deserves a Safe Beginning

Some newborn babies are found alone in bushes, streets or other unsafe places. Their lives are precious. Their needs are urgent. Their futures matter. Rodonkor Foundation exists as a compassionate vision to advocate for their protection and dignity.

Our Vision

A world where no newborn baby is forgotten and every child has the opportunity to grow in safety, love and hope.

Our Mission

To champion the protection of abandoned and vulnerable babies, promote timely access to appropriate care, and work with communities and safeguarding professionals to help give every child a brighter beginning.

How We Hope to Make a Difference

- PROTECT — promote urgent, appropriate responses when a baby is found in danger.
- CARE — support essential baby supplies through authorised care providers.
- PREVENT — raise awareness and connect families in crisis to help.
- PARTNER — work with healthcare and statutory child protection services.
- ADVOCATE — uphold each child's dignity, privacy and best interests.

Our Guiding Values

Compassion • Protection • Dignity • Hope • Integrity • Collaboration

Our Commitment

Every abandoned baby is more than a circumstance or a headline. Every baby is a person with a life worth protecting. We will pursue our mission with empathy, accountability and respect for the professionals and authorities responsible for safeguarding children.

Ghana & United Kingdom

The foundation plans to develop compliant, locally appropriate activities and partnerships in Ghana and the UK. Registration, programmes and formal partner arrangements are subject to completion and verification.

How You Can Support the Vision

- Explore partnership opportunities with qualified child welfare and healthcare organisations.
- Support awareness and prevention initiatives in your community.

- Express interest in donating supplies, professional expertise or resources once appropriate systems are in place.

Our Motto

No Baby Forgotten. Every Life Precious. Every Child Deserves Love.
